

**Position: Senior Coach**

**Application Deadline August 11 2023**

**Start Date: Early October 2023**

**Remuneration:** Commensurate with experience but we pay well above industry standards.

Sparta Tennis have a position open for a Senior Coach who can work with all tiers of players from Hot Shots (Red, Orange and Green Stage) through to aspiring performance players and adult groups.

Sparta Tennis is the pre-eminent Junior Development Program in the county with over 20 national junior titles in the past 4 years. The recent NZ 11u and 13u teams all had Sparta Players as the team number 1. As we continue to bring the future waves of NZs best Juniors through we require a coach with the knowledge and experience, but also the passion and desire to put the extra effort in with these players to match what they want to put into the sport.

We have a really dynamic current coaching team and the applicant will fit this profile. They are disciplined with players but contribute to the overall energy of the sessions.

As with any Tennis Coaching job the hours are mainly outside of school time and include at least one weekend day. But specific hours are flexible within reason.

Foreign Coaches are welcome to apply but we will prioritize NZ based coaches where appropriate.

ITF Level 1 (JDC) or equivalent, or higher preferred, We can assist with ongoing education or upskilling to get a promising applicant to this level.
