PART I

APPLICATION OF THE POLICY

1. Purpose

- 1.1. The Code of Behaviour provide the framework for dealing with event related breaches of discipline by players, coaches, parents/guardians and spectators who participate in or attend sanctioned events and team events in New Zealand.

2. Definitions

Event means a sanctioned tournament or weekly competition.

"NZTE" means New Zealand Tennis Entities and comprises TNZ, all Tennis Regions, all Tennis Associations, all Affiliates (each as defined in the Constitution of TNZ) and all member clubs, affiliates and sub-associations of each such Tennis Region, Tennis Association and Affiliate.

"Official" means an ITF Supervisor, Referee, Court Supervisor, Chair Umpire or Line Umpire.

"Precinct" means the event venue (e.g. courts and clubhouse) including its immediate surrounds (e.g. venue car park).

"Region" means the governing body for tennis in each area of New Zealand as defined in the Constitution of TNZ.

"Tennis Association" means a tennis association which is a member of, or is affiliated to, a Region.

"Tennis New Zealand" or "TNZ" means Tennis New Zealand Incorporated (215373).

"Team Event" means a team orientated tournament. Unless otherwise stated, teams represent Regions or areas of New Zealand. In some instances, other Tennis Federations are invited and therefore will also be represented.

"Tournament" means a sanctioned championship, tournament, team event or challenge match.

"Weekly Competition" means an organised competition which occurs over a series of weeks on a regular basis.

3. General Principles

- 3.1. The purpose of the Code of Behaviour is to ensure the game of tennis is played according to uniform rules and to a high standard. Players are entitled

to respect from opponents and the protection from irresponsible behaviour from every person involved within the sport.

- 3.2. The Code of Behaviour is based on the principle that the best tennis is a product of concentration, discipline and enjoyment.
- 3.3. The Code of Behaviour is in addition to the Tennis Participant Protection Policy (TPPP). If anything in the Code of Behaviour is inconsistent with the TPPP, the applicable TPPP criteria take precedence.

4. Application

- 4.1. The Code of Behaviour applies to violations occurring during events in New Zealand or at officially sanctioned activities related to these events. This includes any ATP, WTA and ITF events held in New Zealand.

Note: ATP, WTA and ITF events have a specific Code of Conduct also.

- 4.2. Incidents of harassment, discrimination, physical or verbal abuse, and vilification as defined by the TPPP may be handled in accordance with the TPPP and not this Code of Behaviour.
- 4.3. In the case of ATP, WTA and ITF tournaments specifically where a New Zealand player commits a serious offence, including those processed as aggravated behaviour in the ITF Code of Conduct, Tennis New Zealand (TNZ) may elect to deal with this behaviour under this policy at the same time or subsequent to any ITF process. This matter may be referred directly to a relevant TNZ Tribunal for determination related to New Zealand domestic events. It also applies to instances of unacceptable behaviour (as deemed by TNZ) that may occur off-precinct during a tournament, which will be dealt with as per the TPPP.
- 4.4. Players and their coaches, parents/guardians and spectators are considered subject to the Code of Behaviour from midnight (12.01am) of the first day of the event, until midnight (11.59pm) of the last day of the event.

Note: elimination from or completion of an event does not release Players and their coaches, parents/guardians and spectators from the Code of Behaviour

5. Mutual Recognition

- 5.1. Any penalty imposed upon a player under this Code of Behaviour will be recognised and respected by all NZTEs. A player is not permitted to play any events during the time of any suspension imposed under this Code of Behaviour.

- 5.2. Other National Associations (including Tennis Australia) may be notified of any applicable penalty which may impact a player's ability to compete at events sanctioned by those National Associations.

PART II

ADMINISTRATION AND PROCEDURE

6. Interpretation and On-Site Administration

6.1. All accredited Officials appointed by the tournament are empowered with the authority to interpret and determine match offences documented within these regulations and take appropriate action.

6.2. The Referee may declare a default for a single flagrant violation of this Code of Behaviour or continuous violations after the first offence.

Note: a Chair Umpire may not declare a default without consultation with the Referee

6.3. The Referee is the final on-site authority regarding the interpretation of match and tournament offences within the Code of Behaviour.

Note: the ITF Supervisor is the final on-site authority for ATP/WTA/ITF events

7. Disciplinary Process

7.1. Players who breach the Code of Behaviour (detailed in Appendix 1) at an event will be subject to the following suspension points system:

Table 1: Match offence

Match Offence	Immediate penalty (During match)	Suspension points (Attracted post-match)
Verbal Warning	Verbal Warning	0
First Offence	Warning Code Violation	1
Second Offence	Point penalty	1
Third Offence	Game penalty	1
Fourth Offence	Game penalty* (See 7.5)	1

7.2. The Referee, after consultation with an Official, considering all the facts, may determine that a significant violation warrants an immediate match default without progressing through the above stages. In addition, after consultation with the Tournament Director it may be determined that the violation also warrants suspension from the remainder of the tournament.

7.3. Where any point penalty is applied in accordance with these regulations the player shall be notified immediately where a Chair Umpire is present or applied within the specific game by the relevant Official in the case of non-Chair Umpired matches.

7.4. If the point penalty cannot be issued during the specific game, a code violation second offence will still be issued.

7.5. The Referee must determine any default situation.

- 7.6. Any penalty awarded during a Doubles match shall be imposed against the team.

Note: suspension points will apply only to the offending player

- 7.7. For on-site violations reported by any Official, the Referee, after consultation with an Official, considering all the facts, will determine the relevant penalty which may include default from the remainder of the tournament.

8. Withdrawal Process

- 8.1. The Withdrawal Deadline for all New Zealand Junior Events: 11:59pm (local time), seven (7) days prior to the first day of the event.
- 8.2. All withdrawals must be submitted through the player's account in which they entered the event or in writing (via email). Events need not issue a refund if the withdrawal procedure is not followed. Withdrawals via SMS will NOT be accepted.
- 8.3. For processes regarding entry fee refunds, please refer to the TNZ Junior Event Regulations
- 8.4. Before the withdrawal deadline:
No penalty, withdrawal done through player account or in writing (via email)
- 8.5. After the withdrawal deadline not before publication of the draw:
Any withdrawal from a player accepted into the main draw or qualifying that occurs after the withdrawal deadline but before the publication of the draw shall be considered a late withdrawal and will be issued with a Late Withdrawal (Before the Draw) violation that will account towards one (1) accumulated withdrawal point, provided the withdrawal is received by the Event Director prior to the publication of the draw
- 8.6. After publication of the draw:
Any withdrawal from a player after the publication of the draw shall be considered either a:
- i. Late withdrawal (After the Draw) violation, or
 - ii. Failure to complete a Match or Event violation.
- 8.7. Medical Withdrawals:
- 8.7.1 Withdrawals due to medical illness or injury will still be submitted to the players accumulated withdrawal total.
- 8.7.2 A withdrawal is deemed excused when an event appointed Doctor/Sports Physiotherapist assesses the player onsite and verifies with the Tournament Director and referee that player is unfit to compete in the event.

- 8.7.3 If there is no appointed Doctor/Sports Physiotherapist and the Referee/Tournament Director is satisfied with the validity of the injury / illness onsite, then the withdrawal should also be excused.
- 8.7.4 If there is no appointed Doctor/Sports Physiotherapist and the player can provide medical certificate – written by a medical professional to the tournament director/referee within 7-days of the injury occurring, then the withdrawal should also be excused.

8.8 No Shows:

- 8.8.1 A No Show applies when no valid withdrawal is received before the match is called to the court. A player who does not appear for a scheduled match will be defaulted from that match.
- 8.8.2 Any player not ready to play within fifteen (15) minutes after his/her match is called shall be defaulted unless the Referee/Tournament Director in their sole discretion, after consideration of all relevant circumstances, elects not to declare a default.
- 8.8.3 For doubles it is essential to accurately record the actual player that does not appear, as the innocent partner will not receive any penalty points. Also, it is necessary to complete this within the code violation function within Tournament Planner.
- 8.8.4 The player must make contact with the Event Director or Referee/Venue Supervisors within one (1) hour of the scheduled match time on the day of the "no- show" in order to be permitted to play other draws. The player who makes contact within one (1) hour of the no show will be permitted to play both match play and singles/doubles in the event. All other players who committed no show offences must be taken out of all singles and doubles events, including match play.

8.9 Accumulated Withdrawals

- 8.9.1 Any withdrawals or no shows will be reported directly to Tennis New Zealand by the Referee/Tournament director.
- 8.9.2 Once a player reaches 5 x accumulated withdrawals, they will receive a warning. On the 6th accumulated withdrawal from one player will count towards 2 suspension points.
- 8.9.3 Once a player has reached 6 x accumulated withdrawals, every 2 withdrawals after that point will count towards 1 x suspension point.
- 8.9.4 Where the correct withdrawal procedure is followed (found in the Tournament Regulations), this offence will not carry any suspension points.
