9.1 Clauses

- (1) The Board will ensure that TNZ is able to manage the consequences of any foreseeable emergency or crisis to the extent that it is reasonably practicable.
- (2) The response to a crisis should put the health, safety and well-being of individuals first and the risk of harm to TNZ then minimised.
- (3) Accordingly, the board will:
 - (a) Ensure a documented Crisis Response Plan is in place.
 - (b) Have designated roles & responsibilities of individual staff and, where appropriate, board members to support staff.
 - (c) Have clear delegated authorities.
- (4) Ensure proactive preparation for possible crisis management including but not limited to external resource requirements, media training, scenario preparation for identified risks
